STUDENT REWARD SYSTEM:

Objective

To recognize and reinforce positive behaviour, discipline, and respectful conduct, as outlined in the Student Code of Conduct, through a structured monthly and annual appreciation system.

A comprehensive implementation plan for a Classroom Student Behavior Board using Red Star, Golden Star, and Silver Star as a behavior management and reward system.

Student Behavior Board System Plan

Main Objectives:

- Promote positive behavior consistently across classrooms.
- Encourage self-discipline, responsibility, and respect.
- Reduce Unkind or hurtful actions and disruptive behavior.
- Provide a fair and transparent reward system
- Provides immediate and consistent feedback.
- Reinforces positive behaviour through visible recognition.
- Strengthen the school's well-being and behavior policy framework.

System Components

Star Type	Purpose	Points	Symbolic Meaning
 Golden Star	Excellent behavior, leadership, kindness, consistent responsibility, or visible improvement in attitude and effort	+5 points	Role model behavior
 Silver Star	Good participation, cooperation, teamwork, and positive attitude in class and school activities	+3 points	Improving/ consistent positive behaviour
 Red Star	Disruptive or harmful behavior such as disrespect, unkind or hurtful actions, being untruthful, or repeated non-compliance after warnings	-5 points	Unacceptable behaviour/ needs intervention

Prerequisites for a Student Behavior Board in Classes

STEP 1: Clear Behaviour Expectations

- Define and communicate the specific behaviours that are expected in the classroom.
- These expectations should be consistent, age-appropriate, and understandable for all students.

STEP 2: Classroom Rules and Consequences

- Establish clear classroom rules aligned with behaviour expectations.

- Have consistent, fair consequences for positive and negative behaviours.

STEP 3: Teacher Training and Buy-In

- The teacher (or staff) must understand how to use the behaviour board effectively.
- Training on monitoring, recording, and responding to behaviours.

STEP 4: Student Understanding and Agreement

- Students should know how the behaviour board works.
- Explain the purpose and benefits, so students buy into the system.

STEP 5: Appropriate Materials

- Have the physical board ready.
- Materials can include charts, magnets, sticky notes.

STEP 6: System for Monitoring and Recording

- Decide how and when behaviours are recorded (e.g., immediately, end of class).
- Make sure it doesn't interrupt teaching flow.

STEP 7: Parental/Guardian Communication

- Inform parents about the behaviour system so they can support it at home.
- May include permission or feedback systems.

STEP 8: Positive Reinforcement Plan

- Plan how positive behaviours will be rewarded or acknowledged (e.g., term wise, yearly).
- Reinforcements can be verbal praise, tokens, privileges, etc.

STEP 9: Consistency in Application

- Ensure all staff involved apply the behaviour board fairly and consistently.

Materials Needed

- Star cards or tokens (can be laminated cards or printed icons)
- Display board or wall chart
- Record-keeping sheets or Google Forms
- Certificates, small prizes, badges

Positive Promotion of Behavior in the Classroom

S/N	Strategy	Description / Application
1	Clear Expectations	Display and discuss rules and behavioural expectations regularly.
2	Positive Reinforcement	Use praise, rewards (stickers, certificates), and verbal encouragement to highlight good behaviour.
3	Consistent Routines	Establish predictable routines to reduce anxiety and increase self-discipline.
4	Student Voice and Choice	Involve students in setting rules or choosing activities to foster responsibility.
5	Catch Them Being Good	Acknowledge and praise positive behavior immediately and specifically: <i>"I noticed how respectfully you waited your turn – great job!"</i>
6	Student Leadership Roles	Assign roles like Line leader, classroom assistant, tech helper, etc to promote responsibility and engagement.
7	Recognition Programs	"Star of the Month," certificates, and assemblies to celebrate kindness, honesty, helpfulness, etc.

8	Growth Mindset Language	Encourage effort over outcome like You worked hard on this, and it shows!, Mistakes help us grow.
9	Positive Framing of Corrections	Redirect behaviour gently by stating expectations instead of focusing on the negative.
10	Social-Emotional Learning (SEL)	Integrate SEL activities to build empathy, self-awareness, and respectful communication.
11	Inclusive and Culturally Responsive Practices	Ensure all students feel valued, respected, and safe. Reflect students’ cultures and identities in classroom displays and examples.
12	Parent Involvement	Communicate positive feedback regularly to parents, not just concerns.

How It Works

Step 1: Classroom Display

- Create a **Student Behavior Board** with columns for each student.
- Each student has a pocket or section to collect **star tokens/cards** (physical).
- Stars are updated **daily or weekly** based on behavior log by Teacher.

Step 2: Behavior Scoring System and Star System

Purpose:

To recognize, encourage, and track students’ behavior through a clear, motivating, and equitable system that promotes responsibility, respect, and empathy in line with ADEK’s Positive Behavior and Wellbeing Framework.

Integration with School Systems

- **Displayed in Classrooms:** Star color chart and point scale visible to students.
- **Linked with Wellbeing & Inclusion Records:** For early intervention.
- **Term-End Recognition:** Top 3 “Kindness Ambassadors” from each section recognized in assembly.
- **Communication to Parents:** Shared through email / Letter to encourage collaboration.

Example Teacher Dialogue (Positive Reinforcement Language)

- “I love how you helped your friend — that’s a Golden Star moment!”
- “You worked so hard on your project today; you’ve earned a Silver Star.”
- “That behavior doesn’t meet our classroom expectations — a Red Star today, but we’ll work together to improve.”

Note:

1. Each teacher gives stars immediately and fills in the classroom Log for transparency.
2. If a student receives a Red Star for a particular behavior, they will be provided with support, guidance, and an opportunity to improve.
3. When the student demonstrates clear improvement and consistently corrects that specific behavior, the Red Star and its negative points will be removed from the record.
4. If the student maintains positive behavior and continues to follow expectations in that area for a sustained period (minimum one week), the student will be awarded a Silver Star and corresponding positive points (+3) to acknowledge growth, responsibility, and self-correction.

This approach ensures that the focus remains on learning from mistakes, promoting reflection, and rewarding improvement, not punishment.

STEP 4: Discipline & Counseling Integration

Students with **3 or more Red Stars** in a term must:

- Attend a **Behavior Reflection Session** with the counselor.
- Create a **Behavior Contract** with parent and teacher collaboration.
- Positive behavior post-intervention earns Silver Stars as encouragement

Level 1 Misconduct: Referral and Intervention Procedure (Grades 5–12)

This procedure outlines the step-by-step response to cases of Level 1 misconduct reported by class fellows or peers. The goal is to ensure timely interventions, parental involvement, and the development of tailored Behavior Intervention Plans (BIP) to support student improvement and maintain school discipline.

Flowchart 1
Referral and Procedure of Level 1 Behavior Misconducts

1. Referral Initiation

- A class fellow or peer reports misconduct to the subject teacher.
- The subject teacher initiates the case using a referral log and maintains a behavior log.
- The case is forwarded to the Discipline Incharge and Section Head (BMC member) for review and Initiate Inquiry as Level 1 misconduct. When Inquiry Report proves level 1 misconduct it will proceed further in case it is not approve, it will consider as referral notification close.

2. 1st Instance of Misconduct

INCLUSIVE SUPPORT PROGRAM FOR BEHAVIOR MISCONDUCT

STUDENT OF DETERMINATION:

This Inclusive Support Program aims to provide structured, supportive, and proactive measures to address behavioural misconduct while promoting a positive, safe, and inclusive learning environment for Students of Determination. The program focuses on early identification, individualized intervention, collaboration with stakeholders, and continuous monitoring to ensure the student's emotional and academic success.

1. PURPOSE:

To support the student in developing self-regulation, positive social skills, and responsible behaviour through individualized strategies based on their needs, strengths, and learning profile.

2. KEY AREAS OF SUPPORT:

• Behaviour Identification:

Collect observations from teachers, inclusion staff, and parents to identify triggers, patterns, and contexts of behavioural misconduct.

• Individual Behaviour Support Plan (IBSP):

Create a personalized plan outlining expected behaviours, replacement behaviours, prevention strategies, and reinforcement systems.

• Environmental Adjustments:

Provide sensory tools, structured routines, clear visual schedules, break cards, and reduced distractions where required.

3. INTERVENTION STRATEGIES:

• Positive Reinforcement:

Reward desired behaviours with praise, tokens, or privileges to strengthen positive actions.

• Skill Building:

Teach emotional regulation, turn-taking, communication skills, and problem-solving through structured activities and modelling.

• De-escalation Techniques:

Use calm tone, visual cues, choice options, and safe spaces to reduce escalation and help the student regain control.

4. COLLABORATION:

Regular communication among class teachers, inclusion teacher, parents, and counsellor to ensure consistent implementation at home and school. Weekly check-ins support progress updates.

5. MONITORING & REVIEW:

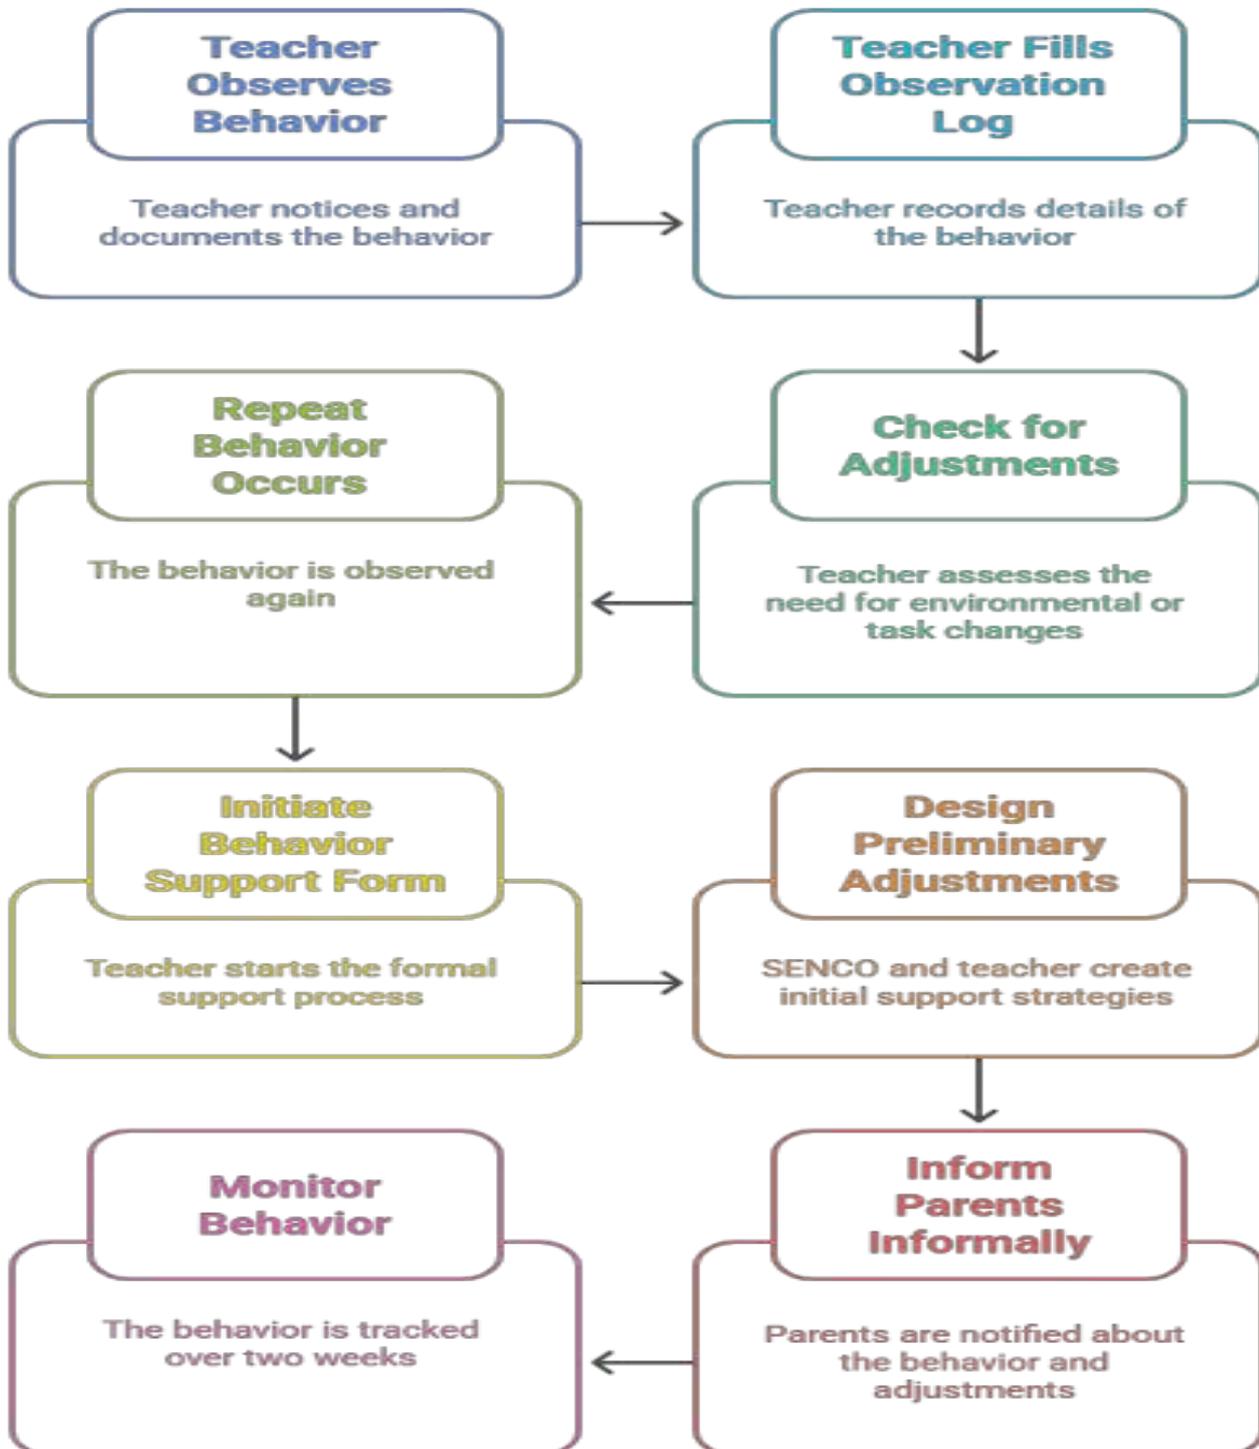

Track behaviour incidents using ABC (Antecedent–Behaviour–Consequence) forms. Monitor progress every 4–6 weeks and adjust strategies as needed to meet the student's evolving needs.

6. EXPECTED OUTCOMES:

- Increased self-control and positive behaviour
- Improved engagement and classroom participation
- Reduced behavioural incidents

SUPPORT AND INTERVENTIONS

FOR SCHOOL:

1. If student is struggling with behaviour or other issues, the school is here to support.
2. Student will receive help based on needs through a **step-by-step support system**.

Tier	Level	Supports / Interventions
Tier 1	Universal Supports	<ul style="list-style-type: none">• School-wide expectations (Respect, Responsibility, Safety)• Clear classroom rules• Positive behaviour recognition (Class points, star of the week, merit cards)• Preventive Interventions by Teacher
Tier 2	Targeted Interventions	<ul style="list-style-type: none">• Preliminary Interventions by Teacher• Behaviour Intervention Plans (BIPs)• Small group sessions on anger management, social skills• Parental engagement meetings
Tier 3	Intensive Support	<ul style="list-style-type: none">• Individual counselling• Inclusion Support team involvement• External referrals (if needed)

FOR PARENTS:

While the school plays a crucial role in supporting your child's behaviour, **consistent support at home** is essential to creating lasting change. **Behavioural success depends on both school and home working together as a team.** Teachers, counsellors, and staff can provide strategies, but your child's behaviour also needs reinforcement, structure, and guidance at home.

How Parents Can Support at Home

Your support is critical for your child's success. Below are ways you can actively engage in the process:

- **Communicate daily:** Stay in regular contact with the school about any concerns or progress. Frequent communication helps ensure that both home and school are on the same page.
- **Review and reinforce behaviour charts:** Sign off on behaviour reports and reward systems and discuss progress with your child at home.
- **Create a consistent home environment:** Set clear, consistent expectations for behaviour at home, such as routines for chores, homework, and screen time.
- **Model desired behaviours:** Demonstrate problem-solving, anger management, and respectful communication. Your child learns by observing your actions.
- **Ensure structure and consistency:** Kids thrive on routines. Keep regular schedules for bedtime, meals, and family activities to provide a stable environment.

- **Work collaboratively with the school:** Attend parent-teacher meetings and actively participate in creating and adjusting the plan. Consistent follow-up is key!
- **Teach and practice coping strategies:** Help your child practice how to manage frustration, anger, or disappointment at home through breathing exercises, counting to ten, or using words to express feelings
- **Praise and celebrate progress:** When your child demonstrates positive behaviour, even small successes, offer praise and encouragement. Positive reinforcement at home strengthens the behaviour school is trying to promote.
- **Be consistent with consequences:** If your child’s behaviour results in consequences at school, ensure that similar consequences are applied at home. This consistency helps your child understand expectations.

DISCIPLINARY ACTIONS – STUDENT GUIDE

At our school, we follow fair and respectful procedures when a student breaks the rules. Disciplinary actions are chosen based on the situation and the student’s age. Here’s how the process works:

1. Discussion with the student and/or parents to understand the issue and solve it together.
2. Formal meeting with the student and/or parents recorded by the school for documentation.
3. Verbal warning from the teacher or school staff.
4. Written warning sent to the student’s parents or guardians.
5. Temporary or permanent removal from class or group with proper supervision (onsite suspension).
6. Loss of school privileges, such as participation in school trips or special events.
7. Confiscation of inappropriate personal items, such as mobile phones or music devices (with the Behavioural Committee involved in resolution).
8. Supervised detention during break, lunch, or after school (only with parent approval).
9. Restorative community work, like helping out around the school under supervision.
10. Temporary suspension from school – student must stay home for a short period.
11. Permanent exclusion from school in serious or repeated cases, based on school and ADEK guidelines.

NOTE: Any electronic device like a cell phone, tab, and iPad if found will be confiscated as these devices are strictly prohibited. However, in the case of a dire need, bringing an analogue cell phone might be allowed, subject to prior approval from the competent authority. It is important to note that parents must personally visit the school to seek approval for an analogue cell phone. Students themselves are not eligible to request such permission.

Additionally, the school is not responsible for any damage or loss of these devices.

STUDENT MISCONDUCT SHALL BE DEALT WITH AS FOLLOWS:

- Firstly, the School shall provide guidance for the student, with a clear explanation, with reasons, for the changes in behavior that are required of the student by the school.
- Next, the School will put in place a strategy, with the appropriate monitoring and support, to address and correct the student's unacceptable behavior.
- If there is a need for further escalation of response, the school shall inform Parents/Guardians by letter and hold a meeting or a series of meetings with them to agree to a reasonable joint home School strategy. Parents/Guardians shall be required, at this stage, to sign an undertaking to support the agreed strategy.
- Should the student continue to behave unacceptably, the school may suspend the student temporarily from School for up to five days and shall issue to the student and his or her Parent/Guardian a final warning.
- In the final stage, if the student fails to modify his or her behavior in accordance with the requirements of the School, the School may apply to ADEK to transfer the student to another School or to permanently exclude the student concerned.

APPEALS PROCEDURE – WHAT YOU NEED TO KNOW

If a disciplinary decision (like suspension or expulsion) is made, students and parents have the right to appeal. Here's how the process works:

1. **Timeline to Appeal**
 - For a **suspension** decision, parents have **1 working day** to appeal.
 - For an **expulsion** decision, parents have **10 working days** to appeal.
2. **Ways to Submit an Appeal**
 - By **email**
 - Over the **phone**
 - Through a **face-to-face meeting** (by prior arrangement)
3. **Who Handles the Appeal?**
 - An **appeals Committee** reviews the appeal.
 - This committee is made up of different members than those involved in the original decision.
 - The **Principal, Vice Principal, or any staff involved in the original case** will **not** be part of the committee to avoid any conflict of interest.
4. **When Will the School Respond?**
 - For **suspension cases**, a final decision will be made and shared within **2 working days**.
 - For **expulsion cases**, a final decision will be made and shared within **7 working days**.
5. **What if There is No Response or You Disagree with the Decision?**
 - If the school does **not respond within 3 working days**, or if the parent **disagrees with the decision**, the parent has the right to raise a complaint to **ADEK** within **5 working days**.
6. **What Will ADEK Do?**
 - **ADEK** may investigate the matter **after** the school issues its final decision.

- If the school does **not respond within the stated timeframe**, ADEK may step in earlier to review the case.

STUDENT INVOLVEMENT:

1. Awareness through extracurricular activities like assemblies and school wide campaigns (where required) by focusing on UAE values and positive behavior as per behavior management framework

PARENTAL INVOLVEMENT:

1. Behavioral expectations shared through handbooks.
2. Parents’ signature on behavioral agreement
3. Monthly communication for updates (if any)
4. Workshops/Webinar on behavioral strategies at home

POLICY REVIEW AND EVALUATION:

- End-of-year policy reviews
- SLT- Administration led evaluation of behavior data
- Stakeholder feedback surveys
- Adjustments based on ADEK updates and school needs
